EAST GERMANY		
ILLEGAL EAST-WEST TRADE		
		25X1
* * *	This is UNEVALUATED Information	
Because many strategic goods are on the "verbothe East German government "allows" but does not of recognize the existence of many export-import firms business under the aegis of private or party organize. Most of the transactions of these firms are counder a heavy veil of secrecy, but often the firms upon the cooperation of their legal counterpart in Germany, the Ministry of Export.	ficially which do zations. nducted must call	: -
One such firm is the "China Ex- and Import Corp GmbH," located at Leipsiger Strasse 112, East BERLII an enterprise owned jointly by Chinese Communists at Socialist Unity Party.	N. It is	
Since March of this year, in order to procure ematerials, the shortage of which is hampering Easter this CHEXIMPO has been offering 40 per cent beyond market price for nickel and cobalt. The success of to obtain these materials is as yet unknown.	rn production, the world	
		25X
CHEXIMPO has also dealt in such other "bottlene	eck" items	

CHEXIMPO has also dealt in such other "bottleneck" items as tantalum, vanadium, ball bearings, balls of ball bearings, tungsten and tungsten wire.

A CHEXIMPO official boasted recently that his firm was not required to show its books to the government. Nor does it pay any taxes, other than income taxes on its employees.
